

The Blue Star Academy

Further Power BI

Build more efficient, interactive and secure Power BI reports. Advanced transformations, DAX, custom slicer panels and row-level security, hands-on in one day.

1 day, up to 10 delegates

£850

at your premises

Up to 6: £800 | Up to 3: £750

£800

live online

Up to 6: £750 | Up to 3: £700

Per session, not per person.
Workbooks and data sets
included.

Problems this course fixes

Messy data needs more than the basics

Your calculations are not flexible enough

Your report pages are cluttered with slicers

Filters behave in confusing ways

Everyone sees everything

Reports need someone to update them

Skills with a
difference

What you will learn

Advanced Power Query

- Advanced data transformations
- Merging and appending queries
- Pivot, unpivot and group data

Data models and DAX

- Working with relationships
- Measures and further DAX measures
- Calculated columns versus measures

Interactive report design

- A show/hide slicer panel with bookmarks and buttons
- An active filters card
- Sync slicers

Security

- Row-level security
- Applying and sharing roles

Sharing and automating

- Creating dashboards from published reports
- Automatic refresh schedules
- Working with your own data

1 day

taught live by me

Up to 10

delegates per session

Hands-on

activities, workbook and data sets

Your place

at your business, or live online

Who it is for: Users who already have a solid understanding of Power BI and are ready to take their skills to the next level.
