

The Blue Star Academy

An Introduction to Power BI

A practical, step-by-step introduction to Power BI. Connect to your data, shape it, build interactive reports and share them in a single day.

1 day, up to 10 delegates

£650

at your premises

Up to 6: £600 | Up to 3: £550

£600

live online

Up to 6: £550 | Up to 3: £500

Per session, not per person.
Workbooks and data sets
included.

Problems this course fixes

You do not know where to start

Your data lives in lots of different files

Your reports are rebuilt every month

You need numbers that Excel makes
awkward

Your reports do not tell a story

Reports are out of date as soon as
you send them

Sharing and updating

- Creating a dashboard
- Publishing reports and sharing dashboards
- Automatic refresh from SharePoint

1 day

taught live by me

Up to 10

delegates per session

Hands-on

activities, workbook and data sets

Your place

at your business, or live online

First course in a long time that I have gone away having actually learned something. The tutor was great, knowledgeable and very engaging.

[Power BI delegate](#)

Who it is for: People with little or no experience of Power BI who want to turn their data into reports and dashboards that people can explore.
